Limitation of Liability

The content of our website has been compiled with meticulous care and to the best of our knowledge. However, we cannot assume any liability for the up-to-dateness, completeness or accuracy of any of the pages. Pursuant to section 7, para. 1 of the TMG (Telemediengesetz – Tele Media Act by German law), we as service providers are liable for our own content on these pages in accordance with general laws. However, pursuant to sections 8 to 10 of the TMG, we as service providers are not under obligation to monitor external information provided or stored on our website. Once we have become aware of a specific infringement of the law, we will immediately remove the content in question. Any liability concerning this matter can only be assumed from the point in time at which the infringement becomes known to us.

External Links

Our website contains links to third-party websites (external links). These websites are the responsibilities of the respective operators. During initial connection of the external links, the provider examined the third-party contents to make sure there are no violations of applicable laws. At that time, no violations of applicable laws were present. The provider has no influence on the current and future design and contents of the linked sites. The insertion of external links does not mean that the provider claims the contents relating to the reference or link as proprietary. In the absence of clear evidence on violations of applicable law, continuous monitoring of possible violations of applicable law are not deemed appropriate. If such violations become known, however, external links of that kind will be removed immediately.

Copyright

The content and works published on this website are governed by the copyright laws of Germany. All utilizations not permitted under German copyright law will require the prior written approval of the author or originator. This is especially valid for the duplication, editing, storage, processing or representation of contents in data bases and other electronic media and systems. Third-party contents and contributions are marked as such. Non-permitted duplication and transfer of specific contents or entire pages is not permitted and will be liable to persecution. The creation of copies and downloads for personal, private and non-commercial usage is an exception and will be permitted.
